

Work with **KAN**

Receive prizes for **1 EUR!**

TECHNOLOGY
OF SUCCESS

**We invite you to take part
in the program KAN**

**Rules of the program are clear.
Participants collect points and receive attractive
prizes for 1 EUR.**

How do you become the participant of the program Work with **KAN**?

It is very easy! You only have to:

- run a company in plumbing, installing or sanitary branches,
- make purchases in **KAN** Ltd. branches or at **KAN** Commercial Partners, complete application form and send it by post, fax, e-mail or pass it directly to the Marketing or Sale managers of **KAN** Ltd. (form available at **KAN** points of sale, Marketing managers and on the website www.kan.com.pl,
- receive confirmation of participation in the program by post or at **KAN** Sale Department .
KAN.

How do you receive the prize?

- You have to complete Prize Order form (form is enclosed to the Prize catalogue, available on the website www.kan.com.pl and at **KAN** points of sale)
- send from by fax 085 74 99 201 or by post to **KAN** Ltd. address 16-001 Bialystok-Kleosin, Zdrojowa 51 or should pass it through Sale or Marketing managers of **KAN**.

You are welcome to familiarize yourself with the Prize Catalogue!

50 EUR net of transaction equals 1 point in the program

REGULATIONS OF THE PROGRAM
Work with **KAN**

1. Definitions:

- a) **KAN - KAN** Ltd. with its principal office at 51 Zdrojowa Street, 16-001 Kleosin, the Program organizer.
- b) Participant – Client of **KAN** Ltd., or client of **KAN** Commercial partner who participates in the Program Work with **KAN**.
- c) List – the list of goods offered by KAN to the Participants of the Program; the conversion rate is included, according to it the Participant gathers points; the List is an integral part of the Regulations.
- d) Form – the application form: the Participant confirms joining the Program and discloses Personal data.
- e) Order – prize order form with gathered points in the program Work with **KAN**.
- f) Identification Card – Card given to Participant, which confirms registration in the program.

2. General Provisions

- a) These Regulations define rules of participation in Promotion Program organized by **KAN** and is addressed to **KAN** Ltd. Clients. Regulations with the List define all provisions of participation in the Program that are accepted by the Participant by signing the Form and Card.
- b) The Program is not limited territorially and is carried out at **KAN** Points of Sale and **KAN** Commercial Partners. **KAN** Ltd. reserves the right to full/part exclusion of some towns, temporarily or permanently. Points of Sale where program is realized will be appropriately marked.
- c) Violation of provisions of these Regulations by Participant can cause withdrawal (partly or fully) of rights of participation in the Program.

3. Participants of the Program

- a) The Program is addressed to legal entities and adults, which on day of joining the Program meet the following conditions:
 - run activity connected with sanitary and heat branches
 - make purchases in **KAN** Ltd. branches or at **KAN** Commercial Partners
 - accept all conditions of the Program by signing the Form, signing the received Card (in the case of legal entity – entity's representative or other authorized person);
- b) Participation in the Program and disclosure of personal data of persons involved is completely voluntary.

4. Joining the Program

- a) The Participant can join the Program filling in the appropriate Form that can be reached at **KAN** Ltd. Points of Sale.
- b) The Participant of the Program provided personal data, simultaneously consents to personal data processing, storage and exploitation for the Program Work with **KAN** purposes by **KAN** Ltd. and Commercial Partners. Besides, if the Participant additionally agrees in the Application Form, **KAN** will be able to process personal data in the future for other promotional and marketing purposes.
- c) **KAN** Ltd. doesn't take into account entries with illegible or incomplete data and not signed Forms.
- d) Completed Form should be left at **KAN** Ltd. Points of Sale, sent by post, e-mail or fax.
- e) When participant registration in the Program has been done, **KAN** gives the Participant identification card that includes the date of registration in the Program.

5. Identification Cards

- a) Individual Identification Card of the Participant that contains the name of the Participant and the number of the Card will be sent to address from the Application Form or will be passed personally at the moment of registration by the manager of Sale Department of **KAN**.
- b) Identification Card is not a Credit Card, a Cash Card or a Debit Card.

6. Collection of points

- a) The Organizer of the Program grants points to the Participant after **KAN** products purchase. These points can be exchanged for prizes mentioned in the actual list of prizes/catalogue of prizes of the Program Work with , which are the subject to the bonus sale = 1 EUR.
- b) **KAN** Ltd. reserves a right to replace products from the Catalogue with a similar product or of a higher quality.
- c) Points are calculated from the day of registration of the Participant in the Program.
- d) For every 50 EUR net of transaction amount in purchase prizes **KAN**, the Participant receives 1 point.
- e) Registration of received points occurs during the payment for products.
- f) Every Participant can check amount of collected points at **KAN** Ltd. or with the help of **KAN** Marketing Manager in the case of Participant that buy at **KAN** Commercial Partners.
- g) Prize receiving is possible only by payment equal to price from the Catalogue and use of points gathered on the Account.
- h) Points can not be exchanged for the pecuniary equivalent.
- i) Turnovers used for promotion calculation of promotion purchase of **KAN** tools shall be excluded from the total value of calculated turnover/points.
- j) Every possible fees and taxes connected with the realization of points shall be paid by the Participant.

7. Realization of points, prizes in the Program

- a) The participant or the Authorized entity realizes rights connected with collected points on the basis of completed Order and on the basis of documented turnover.
- b) When the Participant chooses the prize, he sends completed Order by fax, by post to the address of **KAN** Ltd. Points of Sale, Commercial Partner or passes it to manager of **KAN** Sale/Marketing Departments.
- c) Placed Prize Order shall be realized within 30 days from the day of Order receiving. This term can be extended in the case of special circumstances, but not longer than 2 months.
- d) If delivery of the ordered prize is impossible for reasons beyond **KAN**'s control, the participant shall be informed immediately about this fact. In this case, the participant shall be granted other Prize of the same point value, unless the Participant resigns.
- e) After realization of the Order the amount of collected by the Participant points shall be decreased by proper quantity of used points, according to the conversion rate/course from the List.
- f) The following forms of the Prize receiving available: personal receipt by the Participant, through the **KAN** Marketing manager, sending by post or by the courier.
- g) Ordered Prizes are delivered at the charge of **KAN** Ltd.
- h) Every time the participant is obliged to confirm receipt of the prize by legible signing the Order form/confirmation form added to the Prize.

8. Liability of **KAN**

- a) The Organizer is not liable for the parcel delivery and timeliness of delivery by post as well as other activities of post office and courier firms.
- b) The Organizer is not liable for incorrect completion the Form and the Prize Order by Participants.
- c) In the case of prizes that are delivered to the Participant with the guarantee of the producer, the complaint should be carried out directly in the service point of the producer, indicated in the guarantee.

9. Complaints

- a) If products bought at **KAN** Ltd., sent to the Participant address is damaged or lost during sending, **KAN** Ltd. shall send the Participant the product again, without defects or eliminate defects at his own expense.
- b) Complaints as regards the run of the Program can be sent in a written form to **KAN** only by Participants of the Program.
- c) Complaints shall be considered by the Organizer within 21 days after their delivery.

10. Complaints

- a) If products bought at **KAN** Ltd., sent to the Participant address is damaged or lost during sending, **KAN** Ltd. shall send the Participant the product again, without defects or eliminate defects at his own expense.
- b) Participants have a right to exchange collected points for Prizes within 60 days from the date of termination of the Program.
- c) The participant of the Program can be excluded from the Program when he violates provisions of these Regulations. Unused points till the moment of exclusion from the program shall be canceled.
- d) Any disputes arising out of performance hereof shall be amicably resolved in negotiations. If no agreement is reached, any disputes shall be resolved by a Court of ordinary jurisdiction in Bialystok.
- e) Regulations of the Program are available for the Participant at the principal office of the Organizer. Regulations of the Program can be received on a written request to the address of the Organizer.
