

SYSTEM **KAN-therm** Press

Press PPSU wallplate with steel sleeve,
short plastic plug and fixing bolt
Ø16x2 / G1/2"; Ø20x2 / G1/2"

Description of the product:

Connections should be sealed by tow with sealing compounds. Wallplate is equipped with plug and fixing bolt. Element is made of PPSU.

Attention: Due to necessity to vent installation before the pressure test, plugs are not screwed tightly – (connection doesn't guarantee tightness).
